

5-Day Sample Menu: 50 grams/day

Eating a consistent amount of carbohydrate at each meal and spreading meals and snacks throughout the day can help keep your blood sugar levels stable, which helps with weight loss.

These menus provide breakfast, lunch and dinner meals, plus an optional snack. Each meal contains about 15 grams of carbohydrate. *If a food has a significant amount of carbohydrate, the number of grams is included next to it in the chart below. If a food does not have a significant amount of carbohydrate, it does not have a number after it.*

-  **TIP** Eat at regular times.
-  **TIP** Avoid skipping meals.
-  **TIP** Try to eat every 4-5 hours.
